Deluxe Version Hits No. 5 on iTunes Overall Top Albums Chart

(Nashville, Tenn.) Feb. 19, 2013 -- **Elevation Worship** returns to the national spotlight with its latest music offering, ***Nothing Is Wasted***, on Essential Worship/Provident today. The album, a "must-have" for today's modern worship enthusiast, is available in two unique expressions: a deluxe and a standard edition, debuting at No. 1 and No. 3 respectively on iTunes Christian & Gospel Top Albums chart. The deluxe edition also reached No. 5 on the iTunes overall Top Albums chart and continues to climb.

Originating from one of *Outreach Magazine's* fastest-growing churches in America, Elevation Church in Charlotte, N.C., with more than 12,000 in weekly attendance, **Elevation Worship** once again puts forth this newest project as an extension of its flourishing ministry. Produced by **Elevation Worship's** own Mack Brock, ***Nothing Is Wasted*** comprises 12 dynamic worship songs written to correspond thematically with Elevation Church Pastor Steven Furtick's new book "Greater" (Multnomah Books).

Among those key songs on the record to be aggressively promoted via CCLI, EssentialWorship.com, *Worship Leader* and PraiseCharts.com, are title track "Nothing Is Wasted," "Be Lifted High," "In Your Presence," "Open Up Our Eyes," and "Give Me Faith." The latter is the project's first single, to begin vying for adds at radio in April. Additionally, "Give Me Faith" has recently become one of the most adopted and sung church anthems worldwide, as evidenced by the song jumping more than 160 spots on CCLI this past year.

Nothing Is Wasted is being offered in a standard edition, a live rendition for worship leaders to adopt into their churches, and a deluxe edition, which includes the live portion plus a studio recording of the same 12 songs. The deluxe edition is intended to take listeners to new heights with progressive production elements, dynamic arrangements, different worship leaders and more.

Elevation Worship participated in more than six worship conferences last year alone and will continue to promote the new songs on ***Nothing Is Wasted*** at eight more in 2013.

About Elevation Worship:

In the same spirit as Hillsong, Passion and Jesus Culture—modern worship grown from a single seed then catapulted onto a national stage—**Elevation Worship** is organic to its environment and yet unique to the digital age in which it was born. It is a passionately dedicated team of gifted songwriters, musicians and students of worship boldly leading, as a single worship team, before eight separate congregations across the Charlotte Metro area as well as internationally in Toronto, Canada.

Under the direction of Pastor Steven Furtick (also a worship leader and songwriter) this Charlotte, N.C. church was established by Furtick, and eight other families, with one massive vision: to reach people far from God. In just seven years, Elevation Church has become one of the fastest-growing churches in the U.S. with seven established campuses in the greater Charlotte area.

The Elevation Church worship gathering is simultaneously broadcast across these multi-city locations via cutting edge technology allowing the church's 12,000+ weekly worshippers to feel closely connected as one church praising with one voice.

To date, **Elevation Worship** has sold more than 30,000 units of its debut album with Essential Worship, *For The Honor*, in less than a year. Its worship anthem, "Give Me Faith," is currently one of the fastest-growing church songs at No. 140 on CCLI, moving more than 160 spots within a year. Additionally, the worship team was featured at the National Worship Leader Conference in 2012 and will be again this year.
