VIEW THE NEW MUSIC VIDEO "SNOW GLOBE" FROM MATT WERTZ

Click here to view the new music video for "Snow Globe" from Handwritten/Essential Records singer-songwriter Matt Wertz. The video, directed by John Moessner (JJ Heller, Kerrie Roberts), was filmed in an Airstream trailer owned by a friend of Wertz and tells the story of a man who lives in a Christmas-year-round world only to discover that something bigger and better awaits him just outside his door. Its cast of characters includes Wertz's bandmates, his roommate, and other friends who gathered for the eight-hour shoot. The whimsical Christmas tune, currently at radio, is just one standout track on Wertz's first holiday album, *Snow Globe*, released Oct. 25. The project blends Wertz's signature acoustic style with strings and horns while adding a little holiday flare on timeless Christmas classics.
